Report of Principal and School Improvement Council

Cross High School began the year by successfully completing a Making Middle Grades Work audit by the Southern Regional Education Board. A career specialist was again on-site full time to implement the new Educational and Economic Development Act providing counseling and assistance to students as they prepare for potential vocations. We continue to implement Career Day, which focuses on the 16 career clusters, by inviting employers in the county which represent different clusters to attend. Our annual Job Fair also continues to expose our students to job training and opportunities. Students and community members participated in seminars to enhance resume writing and interview skills. The career counselor conducts Individualized Graduation Plans for eighth and ninth grade students to prepare them for future class registrations and career clusters. Throughout the year, career lessons were given to seventh and eighth grade students on a bi-weekly basis to enhance their knowledge of the world of work and the 16 career clusters. Seventh and eighth grade students were also given the opportunity to shadow employers in their career of choice. Finally, the Ninth Grade Academy teachers and students implemented the Career Game to acquire insight into living in the real world. We also recently implemented the SC Credit Recovery Program and had 100% success of attempted credits recovered.

During the 2007-08 school year, we have completed our fourth year of implementing small learning communities with our Middle School and Ninth Grade Academy. The core-area teachers in each of our academies share a daily common planning period to collaborate in the development of curriculum, monitoring student achievement, and establishing procedures for student management. All of our teachers worked within their subject-area departments to complete a professional book study aimed to promote closeness of the faculty and help achieve our goal of improving student literacy. A school leadership team consisting of master teachers and administrators continues to implement our School Renewal Plan, assess our progress in achieving school goals and make necessary revisions to our plan.

CHS was named a SCDE "Showcase School" after the 2006-07 school year because of our continued success. Our graduation rate of 86.3% was the highest in Berkeley County for the 2007-08 school year. Our students continue to perform well on the HSAP and PACT test. As a demonstration of this outstanding performance, our senior class earned over \$2 Million in scholarships and grants for the 2007-08 school year.

We are excited about our new school renovations and improvements. These renovations will increase and improve our building and athletic facilities by providing an entire new facelift to the entire school façade. We anticipate continued success from our highly competitive robotics team, our award winning Blue Thunder Band, and our JROTC Honor Unit with Distinction. We are also proud of our athletic teams as they were named the 2007-08 Region VI A Champions in Football, Boys Track and Girls Track. We also had an individual state champion in the girls' 400 meter dash. We will continue to be the jewel of our rural community in 2008-09.
